## Salutations!

Welcome to Caboose, an independently owned 1920s inspired Parlour bar and boutique B&B Residence.

The Parlour was once a watering hole and stopover spot for railway engineers in the 20s, you'll find photos of its former life around the Parlour for your perusal.

Caboose Courtyard really is the cat's meow when it comes to outside spaces, it's perfect for having a few drinks on a beautiful summer's afternoon or chilly winter's eve.

We really believe in supporting local. For that reason, we aim to stock as many locally sourced products as possible ranging from spirits to garnishes, toiletries to wine.

We hope our captivating social experience at Caboose excites your palate as well as your eyes. We thank you wholeheartedly for supporting a local, independent business.

Enjoy.
